PROCLAMATIONS

[L.S.]

W. S. OWEN
Lieutenant-Governor

CANADA:

PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her Other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith

To all to whom these presents shall come—
Greeting

A PROCLAMATION

G. Gardom
Attorney-General

{ WHEREAS, with the approach of the Canadian Diabetic Association Provincial Campaign, we are reminded that the search for a cure for diabetes is a major concern of all:

And whereas, while the job of finding an end to diabetes continues, the diabetic must be allowed to live a better life through educational programs:

And whereas, while laymen and doctors the world over are mobilized in the fight to unlock the mysteries of diabetes, they can never complete the job they have set out to do without the support of the public at large:

And whereas Canada has been a world leader in diabetes research, particularly with the discovery of insulin, and our provision of treatment-educational programs to those with diabetes:

And whereas Our Lieutenant-Governor, by and with the advice and consent of the Executive Council, has been pleased to direct, by Order in Council in that behalf, that a Proclamation be issued designating the month of March 1978 as Diabetes Month in the Province of British Columbia:

Now know ye that We do by these presents proclaim and declare that the month of March 1978 be designated as Diabetes Month in the Province of British Columbia.

In testimony whereof, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

Witness, Colonel the Honourable Walter S. Owen, Q.C., LL.D., Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our Province, this 24th day of February in the year of our Lord one thousand nine hundred and seventy-eight, and in the twenty-seventh year of Our Reign.

To amend the permit face by deleting the figures and words "01, 02 and A" and substituting therefor the figures and words "01, 02, 03, and A".

APPLICATION FOR AMENDMENT
OF POLLUTION CONTROL PERMIT PE-2295

Preamble—Cassiar Asbestos Corporation Ltd. currently operates a mine, mill, and townsite at Cassiar, B.C. The present site population is approximately 1,800 persons, with sanitary sewage disposal requirements being met by a system of septic tanks and a small treatment plant. Effluent for the latter discharges to the ground under an existing permit. It is the intention of Cassiar Asbestos Corporation Ltd. to upgrade the present system by installing a new collection system to permit the combining of all sanitary discharges for treatment in a new larger treatment plant. Disposal of treated effluent from the new plant will continue to be to the ground. Operation of the old plant will be discontinued.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act* may, within 30 days of the date of application, or

within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Cassiar Asbestos Corporation Ltd., of 1055 West Hastings Street, Vancouver, B.C. V6E 3V3, hereby apply for amendments, as described below, to Pollution Control Permit PE-2295, granted on November 19, 1973, to discharge 24,000 gallons per day of sewage effluent to the ground at Cassiar, B.C.

To amend the permit face by deleting the words "c/o J. T. Ward, P.O. Box 100, North Vancouver, B.C." and substituting therefor the words "1055 West Hastings Street, Vancouver, B.C. V6E 3V3".

To amend Appendix 01 by deleting those words of item (b) which read "24,000 IGPD" and substituting therefor the words "250,000 IGPD".

To amend Appendix 01 by deleting those words of item (d) which read "an extended aeration sewage treatment plant and secondary treatment lagoon" and substituting therefor the words "an extended aeration sewage-treatment plant and two exfiltration basins for treated effluent".

To amend Appendix 01 by deleting those words of item (e) which read "Lot 6294" and substituting therefor the words "Lots 6294 and 6293".

To delete the effluent chlorination requirement.

The purpose of the foregoing amendments is to permit installation of a collection system and a sewage-treatment plant to accommodate sewage from the entire townsite and mill site. The new system replaces the use of individual septic tanks and the small sewage-treatment plant indicated on Permit PE-2295.

This application, dated on February 13, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

Fee and rental for Parcels 6714 to 6847 (incl.): Fee, \$100; rent, \$2 per acre.

Each tender must be covered by an accepted cheque, bank draft, or money order made payable to the Minister of Finance, in an amount to cover fee, rental, and bonus.

Anyone may ask that, if an offer on one or more parcels is not accepted, that it be considered on another parcel or parcels, provided the intent and order of choice is clearly stated, and the amount of the remittance is sufficient to satisfy the fee, rental, and bonus on the further choice.

Tenders involving slide bonus offers must only include parcels of a like kind, i.e., all permit or all lease or all drilling reservation. Any tender received contrary to this condition will not be considered.

The right to reject any or all offers received is reserved.
